Lord Grenville to Senior¹

[f. 1r]

Dropmore Jan^y 17 1831

Sir

I have to acknowledge the valuable publication which you have had the goodness to send to me, & also ² the copy of your last lectures, with their excellent & most useful preface.

I trust that altho' the official occasion which gave rise to such publications on your part has ceased, (which I must regret) your attempts to [f. 1v] diffuse better notions on points on which so much ignorance still prevails will not be discontinued.

I am Sir with great truth & regard

Your faithful humble ser

Grenville
